

QUEEN'S COLLEGE

Founded 1862

2024 - 2025 皇仁書院

School Mission

It is our mission to provide students with an all-round education aimed at excellence in moral, intellectual, physical, social and aesthetic development, whereby they can achieve self-fulfillment in all aspects throughout their lives and become leaders of tomorrow.

School History

Queen's College, originally named the Central School, is the first government school set up in Hong Kong in 1862. First located in Gough Street, Central, it provided western education to both Chinese and foreign students. In 1889, the new school building, at the junction of Aberdeen Street and Hollywood Road opened and the school was known as Victoria College. It was renamed Queen's College in 1894 and moved to the present site in Causeway Bay in 1950.

e-Learning

e-Learning is one of our school's Major Concerns. The school has received full support from the EDB and Old Boys to implement e-Learning, which makes learning and teaching more effective. With the help of various e-Learning tools such as iPads and e-Platforms, students' learning interest is aroused and the learning process can be extended outside the traditional classrooms. Students can learn at their own pace and according to their own interests.

STEAM Education and Gifted Education

Following the current trend of STEAM Education, our school actively explores opportunities for students by conducting STEAM Education according to the 3-tiered model of gifted education. For Tier 1, school-based curricula in Creative Science, Coding, and Mathematics have been developed for fostering creativity, problem solving and collaboration of students. In Tiers 2 and 3, students take part in local and international competitions and various programs offered by local universities every year, including the University of Hong Kong and the Hong Kong University of Science and Technology. Thanks to the keen and enthusiastic support from our Old Boys, our school's development in STEAM Education has received positive responses and unleashed a lot of potential within our students.

Careers & Life Planning Team

The Careers and Life Planning Team is dedicated to fostering students' self-understanding, personal planning, goal setting, reflective habits and knowledge of progression pathways through life planning education.

Discipline Team

The Discipline Team aims at nourishing students' self-confidence and leadership qualities by providing them with ample opportunities to participate in training programs and school functions.

Counselling Team

The Counselling Team adopts both developmental and remedial measures to equip students with knowledge and skills and help them cultivate positive beliefs and an optimistic attitude towards life. As a result, they are capable of facing challenges, adversities and handling different issues in life.

Student Support Team

To create an inclusive school environment, the Student Support Team promotes mutual respect among students and provides individual assistance to students with special education needs.

Moral and Civic Education Team

The Moral and Civic Education Team aims at equipping students with the essential basic knowledge, attitudes and skills to become rational and responsible citizens of our community and country. In addition, it cultivates students' ethical values in order that they are aware of their roles and responsibilities within the family, school and community at large.

Environmental Protection Team

The Environmental Protection Team is committed to developing students' sense of respect and responsibility for the environment.

Health & Sex Education Team

The Health and Sex Education Team launches multifarious activities conducive to the salutary development of students so that they can lead a healthy lifestyle and have a proper attitude towards interpersonal relationship.

School History Education Team and Student Ambassadors

School History Education Team aims to induce school culture, core values and a sense of gratitude among students. With the assistance of Student Ambassadors, a strong sense of school spirit and a sense of belonging among all students can be promoted through a deeper understanding and awareness of the school's history and fine tradition.

Extra-curricular Activities

Our school aims to nurture all-rounders by offering a wide range of extra-curricular activities. By taking up the responsibilities of leading and organizing various activities and social services, students can widen their horizons and enhance their sense of commitment and leadership skills.
