

Queen's College
Use of One-off Grant for Supporting the Implementation of the Senior Secondary Subject Citizenship & Social Development
Year-end Review 2023-2024

I. Developing or procuring relevant learning and teaching resources

Item	Expenditure	Evaluation	Way forward
Subscription to Wisenews	\$11,942	Subscription to the service is very useful for the teachers in the department to prepare useful learning and teaching materials for students, as they have access to news articles from Hong Kong, China, and other parts of the world. The cartoons provided in the database can also help teachers prepare useful materials for class activities.	The subscription should be renewed next year.
Subscription to Hong Kong Publication Co. online database	\$700	Subscription to the service is very useful for teachers in the department to prepare learning and teaching materials. Teachers can make use of the news to prepare different assessment tasks, including tests and examinations.	The subscription should be renewed next year.
Subscription to Ming Pao online resources platform	\$13,140	Subscription to the service is very useful for teachers in the department to prepare learning and teaching materials. Teachers can make use of the news to prepare different assessment tasks including tests and examinations.	The subscription should be renewed next year.

II. Organizing school-based learning activities relating to the CS curriculum

Fee for Local Chinese culture study tour	\$20,838	Students from 4A & 4B went to the Shau Kei Wan during LWL periods. Students expressed interest in the visit. They learnt a lot about local cultures and understanding the traditional fisheries business in Hong Kong.	Similar visit will be organized next year.
Entrance fee for Hong Kong Palace Museum	\$7,200	Students from S4 went to the museum during LWL periods. Students expressed interest in the visit. They learnt a lot about traditional Chinese culture and history during their visit.	Similar visit will be organized next year.
Transportation cost to Hong Kong	\$1,050	Students from S4 went to the museum during LWL periods. Students expressed interest in the visit. They learnt a lot about	Similar visit will be organized next year.

Palace Museum		traditional Chinese culture and history during their visit.	
Transportation cost to Hong Kong Correctional Services Museum	\$1,800	Students from S5 went to the museum during LWL periods. Students expressed interest in the visit. They learnt a lot about the importance of law-abidingness and the concept of rule of law during their visit.	Similar visit will be organized next year.

III. Organizing or subsidizing students to participate in joint-school / cross-circular activities relating to CS

Item	Expenditure	Evaluation	Way forward
Organizing or subsidizing students to participate in joint-school or cross-circular activities relating to CS	\$2,200	A student was subsidized to join the tour "愛我中華"青年大匯聚火車團 organized by Hong Kong Youth Exchange Platform. The student conducted a presentation to all students in the assembly. It is believed that students can gain better understanding on the latest development of China after joining this tour.	The department will continue to explore relevant activities and encourage students to join them.
